Tools & Databases: Git, MySQL, Microsoft Excel
Core Concepts: Data Structures & Algorithms (DSA), Object-Oriented Programming (OOP), Debugging
Soft Skills: Team Leadership, Cross-Functional Collaboration

WORK EXPERIENCE

Anishree Technologies Private Limited	India
Frontend Developer Intern	August 2025
- Built modern, responsive web pages across diverse viewport sizes using advanced HTML, CSS, and React layouts. - Integrated Node.js backend logic to process fluid user interfaces and manage production-ready component states. - Transformed user interface mockups into performant, scalable frontend web applications.	
Supersys Services	India
Web Development Intern	January 2024 - February 2024
- Architected interactive webpage modules deploying responsive web elements through HTML, CSS, and native JavaScript workflows. - Enhanced web page load times by optimizing redundant code scripts and asset management logic.	

PROJECTS

Automated Crime Reporting & Chargesheet Generation System	Python, Reinforcement Learning
- Designing an AI-based legal document parsing engine using specialized machine learning libraries to generate structured police paperwork. - Formulating automated text processing policies aiming to reduce manual paperwork overhead by 60%.	
College Placement System	HTML, CSS, JavaScript, SQL
- Constructed a dynamic, web-based database management application to streamline campus recruitment data tracks. - Developed functional SQL relational schema to log, categorize, and track real-time student application criteria efficiently.	

CERTIFICATIONS & EXTRA-CURRICULAR ACTIVITIES

- Joint Secretary Guru Nanak College:** Directed a cross-functional student committee to organize and manage college-wide technical events.
- Student Coordinator Infosys Aspire For Her Training Program:** Spearheaded logistics and organized student attendance during a 10-day corporate development drive.
